Re: Chemetco Superfund Site

Dear Ms. Tanaka:

Please accept this letter as the response of Deffenbaugh Industries, Inc. ("Deffenbaugh") to the General Notice Letter issued by the USEPA on November 30, 2011 for the Chemetco Superfund Site in Hartford, Illinois. Deffenbaugh responded to the EPA Information Request with a Response in May, 2008 on behalf of its sister company, Deffenbaugh Recycling Company, LLC. On January 26, 2012, email correspondence was sent to Michelle Kerr, Remedial Project Manager, for the purpose of notification of Deffenbaugh's receipt of the General Notice Letter and its earlier response to the Information Request. (A copy of the 1/26/12 correspondence is enclosed).

Deffenbaugh is interested in receiving a de minimus settlement offer to evaluate. We look forward to your response.

Sincerely,

Barbara Corbin

Subject: Chemetco Superfund Site

Dear Michelle,

Deffenbaugh Industries, Inc. ("Deffenbaugh") is in receipt of a General Notice pertaining to the above-referenced site.

Deffenbaugh and its affiliate Deffenbaugh Recycling Company, LLC responded to the Illinois EPA Request for Information regarding this site in May, 2008.

Please accept this correspondence as Deffenbaugh's request for a copy of the CD containing waste-in information, which apparently is available for the PRPs. If you need any additional information for this request, please let me know. The CD can be mailed to my attention.

Thank you in advance for your assistance.

Sincerely,

Barbara F. Corbin
